

YORK® Residential Products

For over 140 years, YORK heating and air conditioning products have been trusted in the world's most prestigious buildings – and that same commitment to strength, durability and innovation can be found in every residential unit we build. We're raising the bar on the quality of design, engineering and assembly to ensure our YORK home comfort products deliver performance, efficiency and reliability you can trust. And with a complete line of YORK products to choose from, there's a system perfectly suited to provide optimal comfort, exceptional energy savings and lasting performance for every family.

Split system air conditioners

	Affinity Series variable-capacity units	Affinity Series two-stage units	LX Series higher SEER	LX Series standard efficiency
Models	YXV ¹	YXT	YCG**	YCS, YCE, YCD**
Tonnage Range	2–5 Tons		1.5–5 Tons	
Efficiency	Up to 21 SEER 	Up to 19.75 SEER 	Up to 17.75 SEER 	13–14 SEER
Compressor Types	Variable capacity	Two stage	Single stage	
Communicating Capable	Yes		No	
Comfort Technology	QuietDrive sound reduction Charge Assurance system pressure monitoring Climate Set operating profiles			
Additional Features	Tube-in-fin coil		MicroChannel coil	
Warranties*	Lifetime compressor limited warranty		10-year compressor limited warranty	

**Single- and three-phase models available

Split system heat pumps

	Affinity Series variable-capacity units	Affinity Series two-stage units	LX Series higher SEER		LX Series standard efficiency
Models	YZV	YZT	HMH7	YHG	YEE, YHE***
Tonnage Range	2-5 Tons		1.5-5 Tons		
Efficiency	Up to 21 SEER/ Up to 11.0 HSPF 	Up to 19 SEER/ Up to 10.0 HSPF 	Up to 18 SEER/ Up to 10.5 HSPF 	Up to 17 SEER/ Up to 10.0 HSPF 	14 SEER/8.2 HSPF
Compressor Types	Variable capacity	Two stage	Modulating	Single stage	
Thermostat	Communicating	Communicating or Conventional	Conventional		
Comfort Technology	QuietDrive sound reduction ClimaTrak blower fine-tuning				
	Charge Assurance system remote monitoring and diagnostics Climate Set preconfigured operating profiles				
Additional Features	Tube-in-fin coil / 1,000-hour powder paint / Extruded louver coil guard / Demand defrost				
Warranties*	Lifetime compressor limited warranty		10-year compressor limited warranty		

***Three-phase models available (THE)

Packaged cooling and heating units

	LX Series higher SEER	LX Series standard efficiency
Models	PC6, PC6G	PC4, PC4G
Tonnage Range	2–5 Tons	
Efficiency	Up to 16 SEER/ 81% AFUE (PC6G) 	14 SEER/ 81% AFUE (PC4G)
Communicating Capable	No	
Phase	Single- and three-phase	
Warranties*	Lifetime heat exchanger limited warranty (PC6G, PC4G) 10-year compressor limited warranty 10-year parts limited warranty 10-year electric heat limited warranty (PC6, PC4)	

Packaged heat pumps

	LX Series higher SEER	LX Series standard efficiency
Models	PH6, PH6G	PH4, PH4G
Tonnage Range	2–5 Tons	
Efficiency	Up to 16 SEER/ 81% AFUE (PH6G) 	Up to 14 SEER/ Up to 8.0 HSPF 81% AFUE (PH4G)
Communicating Capable	No	
Phase	Single- and three-phase****	
Warranties*	Lifetime heat exchanger limited warranty (PH6G, PH4G) 10-year compressor limited warranty 10-year parts limited warranty 10-year supplemental electric heat limited warranty (PH6G, PH4G)	

****PH6G and PH4G are available in single-phase models only

Gas furnaces

	Affinity Series ultra-high efficiency	Affinity Series high efficiency	LX Series high efficiency	LX Series standard efficiency
Models	YP9C	YPLC	TM9V, TM9Y, TM9E, TL9E ²	TM8V, TM8Y, TM8E, TL8E
AFUE	Up to 98% 	80%	Up to 96% (TM9V, TM9Y) Up to 95% (TM9E, TL9E) 	80%
MBH Input	60–120		40–120 26–120 (TM9E) 60–100 (TL9E)	60–120 40–130 (TM8E) 60–100 (TL8E)
Position	Multi-position		Multi-position upflow/horizontal (TL9E)	Multi-position upflow/horizontal (TL8E)
Communicating Capable	Yes		Yes (TM9V)	Yes (TM8V)
Comfort Technology	ClimaTrak blower fine-tuning			
Motor	High-Efficiency, Constant CFM Motor		High-Efficiency, Constant CFM Motor (TM9V) Standard-Efficiency, Multi-Speed Motor (TM9Y) Standard-Efficiency, Multi-Speed Motor (TM9E) Standard-Efficiency, Multi-Speed Motor (TL9E)	High-Efficiency, Constant CFM Motor (TM8V) Standard-Efficiency, Multi-Speed Motor (TM8Y) Standard-Efficiency, Multi-Speed Motor (TM8E) Standard-Efficiency, Multi-Speed Motor (TL8E)
Additional Features	Compact 33" height			
Warranties*	Lifetime heat exchanger limited warranty / 20-year heat exchanger limited warranty (TL8E, TL9E) / 10-year parts limited warranty			

²AHR Expo Innovation Award

Air handlers

	Affinity Series	LX Series
Models	AVV, AVC, MVC	AE, AP, ME
Tonnage Range	1.5–5 Tons (AVV, MVC) 2–5 Tons (AVC)	1.5–5 Tons
Motor	High-Efficiency, Constant CFM Motor	High-Efficiency, Multi-Speed Motor (AE, ME) Standard-Efficiency, Multi-Speed Motor (AP)
Position	Multi-position****	
Thermostat	Communicating (AVV) Communicating or Conventional (AVC/MVC)	Conventional
Pairs With	Air Conditioner/Heat Pump	
Additional Features	MaxAlloy Coil Less than 2% air leakage when tested at 1.0" ESP	MaxAlloy Coil Factory-installed TXV available for AE Less than 2% air leakage when tested at 1.0" ESP
Warranties*	10-year parts limited warranty	

****No additional accessories or kits required.

Indoor evaporator coils

All indoor evaporator coils come with a 10-year Parts Limited Warranty and 2-year manufactured parts warranty.

Thermostats and controls

Connectivity	Communicating	Conventional or communicating		Conventional	
Display	4.3" capacitive touchscreen		2.8" capacitive touchscreen	Backlit digital	
Control	Wi-Fi® with consumer and dealer apps				
Access	Amazon Alexa-enabled and Apple Watch compatible				
Programmability	Programmable	Android NFC programmable		Programmable	
Diagnostics	System diagnostics for easy troubleshooting			UV service indicator	
Special Features	Automatic system configuration – Plug-and-play, control for up to 8 zones	Auto-humidity control, pre-set modes, remote dealer monitoring and adjustment with homeowner permission		Dual fuel operation, multi-stage, up to 3 heat and 2 cool stages, outdoor sensor capabilities	Battery or system powered, single- or multi-stage, up to 2 heat and 2 cool stages
Warranty*	5-year limited warranty				1-year limited warranty

*All warranties require online registration within 90 days of installation. Otherwise, warranties revert as follows: Lifetime compressor limited warranty – 10-year compressor limited warranty; lifetime heat exchanger limited warranty – 20-year heat exchanger limited warranty; 10-year parts limited warranty – five-year parts limited warranty; 10-year compressor limited warranty – five-year compressor limited warranty.

Three-phase models have five-year Compressor and one-year parts limited warranties. Three-phase models do not qualify for the 10-year parts limited warranty.

Choose your controls with premium equipment

Our enhanced YORK Affinity premium equipment now gives you the power to choose your controls. You still get optimized performance using our own advanced Hx and Hx3 thermostats. However, our YORK premium variable capacity systems are now compatible with your choice of preferred controls and smart home devices, thanks to our new Universal Thermostat Adapter.

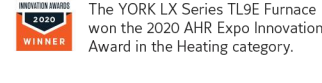

Through its sponsorship of the Building Homes for Heroes® program, Johnson Controls, along with YORK distributors and independent contractors nationwide, donated quality heating and cooling systems to injured veterans from the Iraq and Afghanistan wars. Since 2014, YORK has proudly helped make these gifted, mortgage-free homes comfortable for our injured heroes.

These models meet ENERGY STAR® requirements for energy efficiency.

Since 1909, this Seal has signified that a product has been tested and approved by the Good Housekeeping Research Institute and guaranteed by Good Housekeeping magazine's Trusted Consumer Policy.

This award is given to products that provide features both contractors and consumers desire. The YORK Affinity Series YXV Air Conditioner won the Gold Award in 2017.

2021 Bronze Award winner: YORK® Hx3 Communicating Zoning System

We are all about quality and it starts with a two-year parts warranty for all genuine YORK parts. Each genuine part is engineered, built to specification, and tested to perform reliably in all of our equipment.
